“Families and individuals who seek a richer spiritual life share similar desires. We hunger for a meaningful way of life. We want a faith that makes a difference in our homes, communities and the world.”

Living Well : Christian Practices for Everyday Life.

You are invited to join the parish family as we begin our Lenten journey with a Parish Mission. Jim Merhaut will help us explore the presence of God in the creases and folds of our daily routines. Jim will offer practical suggestions for simple things we can do each day to release the power of God’s joy in our lives and in our relationships. Jim uses music, drama, storytelling and humor to deliver the gospel message in fresh and interesting ways that will stay with you long after the mission is over

A social will follow each evening’s reflection.
